FALLING IN LOVE WITH JOSEPH SMITH
Finding God in the Unlikeliest of Places

JANE BARNES

Fabulist or visionary, fraud or God’s messenger—one woman’s quest to nail down America’s homegrown prophet.
Excerpt from **FALLING IN LOVE WITH JOSEPH SMITH**

I spent my time working on the documentary terrified that I would convert to Mormonism, when before I hadn’t wanted to belong to any church. I’d had religious urges before and thought of them as the return of the repressed. But Joseph was like touching a live fish. He felt electric, weird, and interesting. The more I tried to shut the cover on his well-lived adventure, the more strongly he called out. It became clear that I was going to have to look into these mysteries.

When award-winning documentary film writer Jane Barnes was working on the PBS Frontline/American Experience special series “The Mormons,” she was surprised to find herself inexplicably drawn to Joseph Smith and the Mormon religion. The product of an Episcopalian, “Waspy” family, she had never even met a Mormon before she began work on the series. But so it was: She was smitten with a man who proclaimed to have translated the word of God by peering into the dark of his hat.

In this brilliantly written memoir, Barnes describes her experiences working on the PBS series as she teetered on the precipice of conversion to Mormonism. It all began when she came across Joseph Smith’s early writings. She was delighted to discover how funny and utterly unique Smith was: “We do not normally think of God tickling us until we break into helpless peals of laughter.” And her fascination only deepened when, much to her surprise, she learned that her third paternal grandmother was a Mormon convert who, in 1833, had followed Smith west and whose family’s pioneer life was consumed by the crises swirling around the prophet and his involvement in polygamy.

**Falling in Love with Joseph Smith** is a funny, poignant, philosophical book that anyone with a spiritual bone will relate to.

**JANE BARNES**

has received a fellowship from the Virginia Foundation for the Humanities. She has published two novels: *I, Krupskaia: My Life with Lenin* and *Double Lives*. Her essays and stories have appeared in *Mademoiselle, Mirabella, Prairie Schooner, Dialogue*, and *The Virginia Quarterly Review*, among others. Barnes has written and produced documentaries for *American Experience, American Masters*, and *Frontline*. She lives in Charlottesville, Virginia.
What is the purpose of life on Earth? Philosopher Jacob Needleman frames man’s role on the planet in a completely new and fresh way, moving beyond the usual environmental concerns to reveal how the care and maintenance of a world is something vital and basic to our existence as authentic human beings.

In some of his most deeply affecting writing, Needleman draws on his childhood experiences with a terminally ill friend whose impending death forces the young boys to face questions and the meaning of existence at an early age—questions that Needleman carried with him in his explorations of science and philosophy throughout his career as a scholar of religions.

The conclusions that he reaches will give all of us a new sense of the purpose of our lives and the planet we live on.

The acclaimed author of books including The American Soul, The Essential Marcus Aurelius, Lost Christianity, and Money and the Meaning of Life, JACOB NEEDLEMAN is professor of philosophy at San Francisco State University, and former director of the Center for the Study of New Religions at the Graduate Theological Union, Berkeley. He has also served as research associate at the Rockefeller Institute for Medical Research and was a research fellow at Union Theological Seminary. He lives in Oakland, California.
MISS AUSTEN’S GUIDE TO MODERN LIFE’S DILEMMAS
Answers to Your Most Burning Questions About Life, Love, Happiness (& What to Wear)
from the Great Jane Austen Herself

REBECCA SMITH

Is the man I’m dating Mr. Darcy in disguise . . . or simply a jerk?

In this wise and funny book, novelist Rebecca Smith—who also happens to be Jane Austen’s great-great-great-great-great-niece—channels her aunt to provide answers to some of modern life’s most tricky questions, including:

- You’ve been dating a wonderful man for a few weeks and things are moving along nicely. When is it okay to let him know how you feel? Says Jane: Don’t make the same mistake Marianne Dashwood made with Willoughby and wear your heart on your sleeve too soon. Look instead to her sister Elinor—she may have waited a bit too long to reveal her feelings for Edward, but see how beautifully it worked out for her in the end?

- Is it worth risking one’s safety or health for the glamour of high heels? Says Jane: When Elizabeth Bennet set out to walk from Longbourne to Netherfield, her boots did nothing to keep her petticoats from getting muddy, but at least they kept her feet dry. When considering footwear, consider the occasion.

Replete with lovely Austen-inspired color illustrations, as well as quotes from Austen’s various novels to support the advice given, this book is the ideal gift for the Jane Austen fanatic in your life.

Rebecca Smith was the first official writer-in-residence at Jane Austen’s House Museum in Chawton, England. The author of several novels, this is her first nonfiction book.
GROSS AMERICA
Your Coast-to-Coast Guide to All Things Gross

RICHARD FAULK

This all-new atlas-style guide brings you the greatest gross scientific, historical, and cultural sights across the United States.

Sure, you could use your vacation days to take the family to the beach again. Or, you could:

- head down to Houston, Texas, and walk inside a twenty-seven-foot model of the human intestinal system;
- make a pilgrimage to Chicago to visit America’s last remaining plastic vomit factory;
- journey to Cambridge, Massachusetts, to see a dog poop–fueled streetlamp;
- travel to Nederland, Colorado, for “Frozen Dead Guy Days,” an annual celebration of at-home cryogenics experiments;
- spend some time among the preserved human brains at Philadelphia’s Mutter Museum; or
- take in the acclaimed cockroach dioramas of Plano, Texas

Gross America is a coast-to-coast catalog of the most grandly gross science experiments, beautifully bizarre art, and delightfully disgusting historical sites that America has to offer. Part travel atlas, part trivia guide, Gross America presents these United States as you’ve never seen them before—weird, wonderful, and totally, utterly gross.

Richard Faulk is a freelance writer and editor. Formerly an associate editor at Scholastic, Inc., and onetime time-travel columnist, he has also written about Vikings for Australian tweens, reported on academic conferences for Columbia University, and celebrated the films of Pam Grier in Penthouse. He lives in the San Francisco Bay Area, where he thinks deeply about trivial matters.
EVERYDAY KINDNESS

Shortcuts to a Happier and More Confident Life

STEPHANIE DOWRICK, Ph.D.

The internationally renowned author of Choosing Happiness shows how to tackle the pressures of the modern world—providing the insights, reassurance, and the means to worry far less and enjoy life more.

Virtually every moment of our greatest well-being reflects the giving and receiving of kindness. At home, work, and in the wider world, there are countless opportunities when a moment of consideration or kindness—given or received—will transform your day. Whether it is a hard time to be endured or a wonderful time to be shared and celebrated, it’s our willingness to think well of ourselves and act kindly toward others that makes all the difference.

In this intimate, deeply encouraging book, author Stephanie Dowrick takes kindness as her inspiration and theme and shows us how to bring the practice of kindness into our daily lives. This simple act, Dowrick illustrates, is vital in helping us grow in self-confidence and appreciation, make the best choices to support our physical and emotional well-being, find pleasure in our work and in our relationships, and experience more authentic love. Everyday Kindness provides the reader with the spiritual and psychological tools to make a calmer, happier, and more rewarding life immediately possible.

STEPHANIE DOWRICK, Ph.D., is an internationally bestselling author with many years of experience in a variety of psychotherapeutic approaches, including psychosynthesis and object relations. For some years, she has had a small psychotherapy practice; more recently, she has focused on leading workshops and spiritual retreats. In June 2005, she was ordained as an interfaith minister at the Cathedral of Saint John the Divine in New York City. Dowrick lives in Sydney, Australia.

The Book of Love and Creation
A Channeled Text
Paul Selig

This major new work of channeled literature shows readers how to develop their own intuitive abilities and continues the program of self-development begun in Paul Selig’s popular previous book, I Am the Word.

Taking the channeled teachings of I Am the Word into new territory, Paul Selig presents a bold, bracing, and tremendously practical work of spiritual psychology in The Book of Love and Creation.

In this latest revelation, the invisible teachers who speak through Selig actually instruct readers in how they can develop their own powers of clairvoyance, intuition, and aura-reading. The Book of Love and Creation fulfills the promises made in the previous work insofar as it helps readers unearth their personal abilities as channelers and empaths.

Filled with meditations, exercises, psychological insights, and affirmations, The Book of Love and Creation will immediately work changes in the lives of every committed reader.

It is a major new installment in a body of channeled wisdom that is being discovered throughout the world.

Paul Selig is a writer, teacher, and medium living in New York City. A spiritual experience in 1987 left him clairvoyant, and he maintains a private practice as an intuitive in New York City, where he has led channeled energy groups for more than fifteen years. He is the director of the MFA in Creative Writing Program at Goddard College and serves on the playwriting faculty of the NYU Tisch School of the Arts. His work for the stage has been produced internationally and includes plays, operas, solo-performance work, and text for dance.
MADAME BLAVATSKY
The Mother of Modern Spirituality

GARY LACHMAN

A thoughtful biography of one of the most polarizing pioneers of alternative spirituality, the occult-mystic Helena Petrovna Blavatsky.

Pioneer. Visionary. Provocateur. Madame Helena Petrovna Blavatsky—mystic, occult writer, child of Russian aristocrats, spiritual seeker who traveled five continents, and founder (with Henry Steel Olcott) of the Theosophical Society—is still being hailed as an icon and scorned as a fraud more than 120 years after her death. But despite perennial interest in her life, writings, and philosophy, no single biography has examined the controversy and legacy of this influential thinker who helped define modern alternative spirituality—until now.

Gary Lachman, the acclaimed spiritual biographer behind volumes such as Rudolf Steiner and Jung the Mystic, brings us an in-depth look at Blavatsky, objectively exploring her unique and singular contributions toward introducing Eastern and esoteric spiritual ideas to the West during the nineteenth century, as well as the controversies that continue to color the discussions of her life and work.

GARY LACHMAN is one of today’s most widely read and respected writers on esoteric and occult themes. He has written for several national journals on philosophy, esotericism, and modern culture, and his books—including Swedenborg, Jung the Mystic, Rudolf Steiner, Politics and the Occult, Turn Off Your Mind, and A Secret History of Consciousness—have been published to acclaim in both America and Europe. In his musical career, Lachman has been inducted into the Rock and Roll Hall of Fame as a founding member of the pioneering rock band Blondie. Born in New Jersey, Lachman currently lives in London.
Beautifully designed deluxe card decks that capture the feel and essence of three of Tarcher’s best-selling works by Julia Cameron, Napoleon Hill, and Ernest Holmes (with more to come in subsequent publishing seasons). Each deck has 64 four-color cards that contain excerpts and affirmations. Perfect gifts that offer daily inspiration, guidance, and wellness.
THINK AND GROW RICH PROSPERITY CARDS

These cards contain Napoleon Hill’s most motivational quotes, taken from the #1 all-time personal finance classic, *Think and Grow Rich*. In addition, each transformative quote is paired with an inspirational word that can help you clarify, focus, and move toward the riches you desire. Pull out a card, put the quote and inspirational word to action in your life, and see your dreams come true.

THE ARTIST’S WAY CREATIVITY CARDS

Keep creative with these 64 gorgeous cards! Each four-color card contains a vital quote from Julia Cameron’s classic bestseller, *The Artist’s Way*. In addition, each card contains a different creative quality—pick any card to be inspired and lovingly guided by Julia’s wise words. A perfect gift for the artists in your life, and for everyone who wants to live more creatively!

THE SCIENCE OF MIND WISDOM CARDS

“Change your thinking, change your life.” With these words, Ernest Holmes created a revolution of spiritual optimism that has changed the lives of millions. These cards contain the most powerful quotes from Holmes’s classic work, *The Science of Mind*, as well as positive affirmations that will create life-changing results.

n today’s troubled economic market, everything is a tough sell. From products to services, everyone is consuming less as they tighten their belts. In this respect, it’s easy to forget that the job interview is becoming more and more like the showroom—where the interview itself is the pitch, and the product you’re selling is yourself.

The Art of Selling Yourself will provide you with the know-how you need to navigate today’s tough business terrain and achieve success in your career and your life. It shows exactly how uniquely successful people—from Mark Zuckerberg to Warren Buffett—have achieved success, and provides you with the latest management knowledge from leading academies and universities. With an easy-to-use ten-step process, this book will assist you in:

- Developing more confidence
- Swiftly recovering from challenging setbacks
- Taking control by letting go of anxiety
- Networking not just for business but for pleasure
- Conversing comfortably on topics that may be a bit out of your reach
- Succeeding in areas you never previously considered by moving out of your comfort zone
- Creating lasting, genuine connections with others
- And much more!

In short, this book will make you a pro at selling your most important asset—yourself!

ADAM RICCOBONI is a business development professional, entrepreneur, and founder of successful publishing and consultancy companies.

DANIEL CALLAGHAN was elected president of the Entrepreneurs Society and named one of the UK’s Future 500 leaders by The Guardian.

Together, they cofounded MBA & Company, a freelance consultancy network, which has been featured in The Economist and Financial Times. They have been selected as one of twenty businesses worldwide by New York City mayor Michael Bloomberg to be part of a yearlong program to build the entrepreneurial scene in New York.
SUPERREADING FOR SUCCESS
The Groundbreaking, Brain-Based Program to Improve Your Speed, Enhance Your Memory, and Increase Your Success

RON COLE

A practical guide to boosting speed, comprehension, and powers of recall!

Packed with tools and techniques from the author’s years of experience, this book can help readers overcome poor reading habits and learn to read at high speeds with good comprehension and recall. It includes memory training; information on learning, attitude, and achievement; and unique exercises that teach readers to mentally process multiple words at a glance.

Some of Ron Cole’s unique methods for improving your reading skills include:

- Hand Pacing
- Previewing
- Eye-Hop™
- Parroting
- Reviewing

The results can save readers hours every week—a must for students who need to learn mounds of information, business professionals who have to deal with a sea of e-mails, or for anyone who wants to improve their reading skills!

Ron Cole has spent fourteen years teaching his SuperReading™ methods to corporations, schools, and other large organizations. He developed the skill set for SuperReading™ while running an advertising company in Silicon Valley. Now focused entirely on coaching, he has created SuperReading™, which has basic and advanced methods for dealing effectively with large volumes of dense information.
THE SCIENCE OF MIND: DELUXE LEATHER-BOUND EDITION
ERNEST HOLMES

CELEBRATING 75 YEARS OF CHANGING THE WORLD!
One of the most important spiritual manifestos of modern times—Ernest Holmes’s magnum opus—in a gorgeous leather-bound edition.
The Science of Mind has been heralded as one of the most influential and widely read works of spiritual thought in the last century. Hundreds of thousands of copies in all editions have been sold over the years, and millions of people have benefited from the wisdom in this book—a book that sparked a spiritual revolution.

Now Tarcher/Penguin will be offering the most complete and beautifully packaged leather-bound edition—in time to commemorate the 75th anniversary of the 1938 edition of this sacred work.

This edition will include:

- Black bonded-leather binding
- 4-color designed box
- Gilded edges
- Ribbon marker
- Concordance
- and more!

ERNEST HOLMES (1887–1960) was the founder of the worldwide Religious Science Movement. A uniquely gifted scholar with a vast command of the world’s spiritual philosophies, his magnum opus—The Science of Mind—has been in continuous print since 1926. Other inspirational works include Creative Mind, This Thing Called You, The Art of Life, Creative Mind and Success, Love & Law, The Hidden Power of the Bible, and many others.
Can your brain help you become more successful? YES!

It’s natural to get stuck in certain patterns of thinking—but what if we could restructure those patterns in order to become more flexible? What if we could drastically improve our ability to make quick decisions, spot and grasp new opportunities, and prioritize? Wendy Jago’s view is that every good mind can become even better.

In The Successful Brain, the author introduces the reader to NLP—Neuro-Linguistic Programming—a therapeutic technique used to recognize and reprogram unconscious patterns of thought and behavior in order to modify psychological responses, altering your subconscious processes to work for you instead of against you. Broken into two sections, this book first teaches readers how their minds shape different experiences and then offers steps on new ways for readers to approach real-life issues such as:

- Prioritizing effectively
- Negotiating
- Beating stress
- Utilizing teamwork
- Spotting opportunities
- Making decisions

These simple techniques will increase your mental fitness and grant you the ability to succeed in times of change, challenge, and opportunity, so that you don’t just survive—you thrive!

WENDY JAGO is an NLP Master Practitioner and qualified NLP coach, with a background in university teaching, teacher education, and psychotherapy. She coaches for a leading firm of international bankers and has cowritten five books about NLP. She lives in Brighton, United Kingdom.
IF I HAVE TO TELL YOU ONE MORE TIME . . .
The Revolutionary Program That Gets Your Kids to Listen Without Nagging, Reminding, or Yelling
AMY McCREADY

Put an end to power struggles in your home!

Praise for IF I HAVE TO TELL YOU ONE MORE TIME . . .

“Just when you thought you had no need for another parenting book, along comes Amy McCready’s invaluable guide to raising responsible, caring, well-behaved children. . . . Few books can compete with this one in terms of practical, clear, and wonderfully wise advice.”

—Annie Murphy, ABC-TV parenting contributor and author of The 7 Stages of Motherhood

W hy does it feel sometimes as if our children have special powers that enable them to tune us out completely? You ask your child to do her homework, get ready for school or bedtime. You think she heard you but . . . no response. You’ve tried everything—time-outs, nagging, counting to three—and nothing seems to work. In this invaluable book, founder of the popular online parenting course Positive Parenting Solutions Amy McCready presents a nag and scream-free program for compassionately, yet effectively, correcting your children’s bad behavior.

In If I Have to Tell You One More Time . . ., McCready draws on Adlerian psychology, which focuses on the central idea that every human being has a basic need to feel powerful—children being no exception to the rule. According to McCready, when this need isn’t met in positive ways, kids resort to negative methods. She provides parents with a virtual toolbox that they can use to give their children the power they crave—and do away with the misbehaving that adults dread.

AMY McCREADY is the founder of Positive Parenting Solutions. McCready reaches a worldwide audience with her online parenting course, online and print articles, live webinars, and media appearances, including NBC’s Today, Rachael Ray, MSNBC’s Dr. Nancy, Fox & Friends, and Parenting with Ann Pleshette Murphy for ABC NewsNow. A regular parenting contributor for the Today Moms Blog, McCready is a certified Positive Discipline Parent Educator. Married and the mother of two boys, she lives in Raleigh, North Carolina.

Hardcover edition:
THE LAST GREATEST MAGICIAN IN THE WORLD
Howard Thurston Versus Houdini & the Battles of the American Wizards

JIM STEINMEYER

Now in paperback, the acclaimed biography of the magician’s magician, Howard Thurston.

Praise for THE LAST GREATEST MAGICIAN IN THE WORLD

“There is no greater expert on the history of stage magicians than Jim Steinmeyer. His deep knowledge of the subject, combined with a remarkable mastery of magical know-how, makes this book a smart, fantastic read. I can’t recommend it enough!”
—Neil Patrick Harris

“Steinmeyer produces an engaging full-length biography of the man Orson Welles called “the master” . . . Steinmeyer recovers a figure whose grandiose productions were an American institution for almost 30 years.”
—Publishers Weekly

“Few historians of magic are as qualified as Jim Steinmeyer to bring Howard Thurston back onstage . . . The Last Greatest Magician in the World vividly conjures up Howard Thurston’s troubled life and great illusions.”
—The Wall Street Journal

“Magician and author Jim Steinmeyer rescues a forgotten American icon from Houdini’s shadow.”
—AARP: The Magazine

“Reads like a non-fiction version of The Prestige. . . . Thurston may have been forgotten, but The Last Greatest Magician in the World ably resurrects his legend and his awe-inspiring magic.”
—The Onion A.V. Club

JIM STEINMEYER is one of today’s most renowned historians of stage magic. He is the critically acclaimed author of The Glorious Deception, Charles Fort, and Hiding the Elephant, a Los Angeles Times bestseller. He lives in Los Angeles.
HIDDEN TREASURE
Uncovering the Truth in Your Life Story
GANGAJI

An inspiring book from one of our greatest living spiritual teachers.

Praise for HIDDEN TREASURE

“This gently flowing but often disarming volume invites readers to examine the narratives that shape them, and is a call to pass beyond personal stories to find a deeper, more universal self.”
—Publishers Weekly (starred review)

Just as the life stories of the Buddha and Christ have served those on the spiritual path for millennia, our own lives can serve as important teaching stories. In Hidden Treasure, one of the great spiritual teachers of our time, Gangaji, uses the telling of her own life story to help readers unveil the truth in their own.

Antoinette (Toni) Roberson Varner was given the name Gangaji by her teacher Sri H. W. L. Poonja in 1990. Before that meeting, she had pursued many paths to enlightenment. Raised in the 1950s in the racially divided South, she married young and had a daughter. Following the dissolution of her first marriage, she moved to Northern California and immersed herself in the spiritual culture that was flourishing there; but her efforts to achieve lasting fulfillment ultimately fell short. In the wake of her disillusionment, she made a final prayer for help. The answer to her prayer came unexpectedly, taking her to India and to the meeting that would change everything. On the banks of the River Ganges, she met Poonja, also known as Papaji, who opened her mind to the eternal presence of being.

In this life-changing book, Gangaji guides readers in recognizing that while their life stories follow universal patterns of human suffering, by uncovering and speaking the truth of these stories, they can open the doorway to the possibility of living freely and in truth. Hidden Treasure invites readers to discover the fulfillment that can exist for anyone, right here, right now.

GANGAJI is dedicated to the recognition of peace and freedom inherent in all being. An internationally renowned teacher and the author of The Diamond in Your Pocket, she is supported by her foundation’s global network of volunteers. Gangaji shares her direct experience of the essential message she received from her teacher Papaji and offers it to all who want to discover a true and lasting fulfillment. She lives with her husband in Oregon and offers retreats in the United States, Copenhagen, Canada, Europe, England, and Australia.
The Creative Life
True Tales of Inspiration
Julia Cameron

In The Creative Life, bestselling author of The Artist’s Way Julia Cameron parts the curtain on her own life to reveal a world rich with creative possibility.

Praise for JULIA CAMERON

“Cameron shows the artistic way in an organic light that makes it seem approachable and attainable, revealing how living creatively can be as calibrated as a work of fiction.”
—Publishers Weekly

“Cameron is to be commended for sharing a glimpse of her creative life and for having the courage to reveal her personal flaws, emotional vulnerabilities, and writing crises.”
—Spirituality & Practice

“A backstage tour of (Cameron’s) work process, her support system, and her life. It’s a gem.”
—Retailing Insight

According to Julia Cameron, when we allow our creative spirit to serve as our compass, we discover that the art we have always longed to create is suddenly within our grasp. In this book, she shows readers how to use their creative hearts and minds to cultivate lives that nourish and sustain their art. Through beautifully drawn scenes from her own life, as well as the lives of the many artists around her, Cameron reveals that creativity flourishes during the quiet pauses in our lives—and that it is only when we allow ourselves to slow down and savor life that we uncover ways to depict it sensitively and poetically in our art.

Julia Cameron has been an active artist for more than thirty years. She is the author of more than thirty books of fiction and nonfiction, including The Artist’s Way, Walking in This World, Finding Water, and The Prosperous Heart. A novelist, playwright, songwriter, and poet, she has multiple credits in theater, film, and television.
In this one-of-a-kind Christmas cookbook, Saint Nicholas himself invites readers to pull up their chairs to his dining table at the North Pole and enjoy more than seventy of his most-cherished holiday recipes. Featuring classic American holiday dishes as well as mouthwatering Christmas fare from all over the world—Santa’s favorite finds from his gift-giving travels—Santa’s North Pole Cookbook guides readers in creating holiday meals that are as delicious as they are rich in Christmas tradition.

With classic Christmas recipes from Weihnachtsgans mit Rotund Grunkohl und Kartoffelklossen (German Christmas Goose with Green and Red Cabbage and Potato Dumplings) and Santa’s Favorite Rosemary Turkey to Christopsomo, the ancient Greek holiday bread that families traditionally decorate with sketches of their everyday lives, and traditional Christmas Plum Pudding, Santa’s North Pole Cookbook is a must-have for anyone who delights in preparing delectable holiday food for the family.

Throughout history, winter solstice and later Christmas have been occasions for special celebration. In this book, Santa also illuminates the fascinating history and lore that surround these popular Christmas dishes and shares with readers the wonderful stories of how and where he personally encountered them in his Christmas travels.

JEFF GUINN is the author of the bestselling Christmas Chronicles series, which includes The Autobiography of Santa Claus, How Mrs. Claus Saved Christmas, and The Great Santa Search. He is also the author of Go Down Together: The True, Untold Story of Bonnie and Clyde and The Last Gunfight: The Real Story of the Shoot-Out at the O.K. Corral—And How It Changed the American West. Guinn has served as books editor as well as senior writer for the Fort Worth Star-Telegram and has appeared on NPR’s Talk of the Nation, CNN’s Headline News, CBS Sunday Morning, and Fox & Friends. He currently resides in Fort Worth, Texas.
If you are happy with your life just as it is, stop reading right now. But if you want more out of life—more wealth, more success, more independence—then you are about to join the legions of successful men and women who swear by Napoleon Hill’s Think and Grow Rich.

Here is the Spanish-language edition of the original, classic legendary guidebook that has shown millions of readers around the world how to attain their goals—through clear, simple, step-by-step laws to achievement.

Put these rules to work for you today. It all starts with the opening lines to this treasured work.

NAPOLEON HILL was born in 1883 in Virginia and died in 1970 after a long and successful career as a lecturer, an author, and as a consultant to business leaders. Think and Grow Rich is the all-time bestseller in its field, having sold more than 15 million copies worldwide, and setting the standard for today’s motivational thinking.
